BOKAMOSO EDUCATION TRUST

A MASSIVE THANK YOU TO OUR DONORS...

With your support we have managed to bless over 20 Bokamoso families with your generous donations towards the food drive! We continue to support them as this is not a short term recovery. If you or anyone you know are able to contribute towards helping us buying food for our families they would be deeply grateful!

Good morning everyone,

Trust that you are well on this cold rainy day. Just want to extend my gratitude and appreciation to the Bokamoso family. I am truly grateful for everything that you are doing for us. It is really difficult times for all of us, yet you overlook your needs and focus on us. May the good Lord continue to bless you, but not only you, your family, children and grandchildren. May HE meet all of your needs and lack nothing. May HE increase your pockets a hundred folds.

Thank you very much - Lorraine Roxo (Sikho's Mom)
