

Bokamoso Update: Growing Strong and Changing Lives

Dear Bokamoso Friends,

It has been a little while since our last update, and we wanted to reconnect and share some wonderful news from South Africa. We are delighted to share that **Bokamoso continues to grow**, with exciting progress from both our learners and our alumni.

A Year of Growth & Achievement

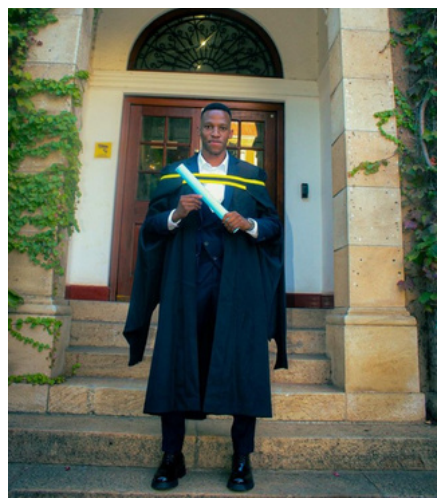

This year, Bokamoso is proudly supporting 107 learners, up from 96 last year. Our learners continue to work hard at school, with our highest high school Term 2 average reaching 79%, alongside an overall average Term 2 mark of 61%. We are especially proud to celebrate three new graduates this year as they take their next steps beyond school.

Lerato

Snamile

Njabulo

Our Bokamoso Family Beyond School

Our connection with young people doesn't end when they graduate. Most of our alumni are continuing their studies, while others are building careers in fields such as teaching, farming, accounting, freelancing and sales.

Three of our alumni have also stepped into the inspiring role of mentoring current Bokamoso beneficiaries and helping guide them on their own journeys.

Thank you for investing in the education and futures of South Africa's young people through Bokamoso Education Trust. Your support is making a difference in the lives of so many children and creating a brighter future by opening doors that would not be accessible without an education.

Could You Help Bokamoso Win £1,000?

Bokamoso UK has the chance to be nominated for a £1,000 award through the Movement for Good programme. Click on the banner below to nominate Bokamoso Education Trust. Every nomination enhances our chances of being selected.

Please nominate us

We could receive £1,000 with your help.
